### COOLMAX® EXTREME EXPEDITION RIPSTOP

Our Coolmax® Extreme Expedition Ripstop, with **UPF 40+**, incorporates special fibers that channel moisture away

from the body creating a **permanent moisture-wicking property** that keeps you dry. It's appropriate for a variety of climates and provides excellent protection from the sun. This **highly durable** fabric is resistant to abrasions, punctures and tears. Plus, it is lightweight, wrinkle resistant, packable and **quick drying**, making it the perfect travel companion.

### COMFORT STRETCH JERSEY

Delivering total comfort and convenience, our Comfort Stretch Jersey is a high-performance blend of polyester and Lycra® spandex by DuPont®.

Lycra® spandex lets fabric **stretch and recover** to its original shape, making for comfortable clothing that continues to look great even after all-day wear. Fabrics treated with

Dri-X-treme™ wicking treatment dry quickly. Comfort Stretch Jersey is perfect for rolling up in a suitcase or for a quick overnight sink wash.
