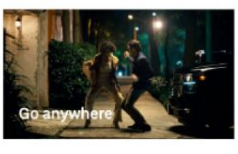
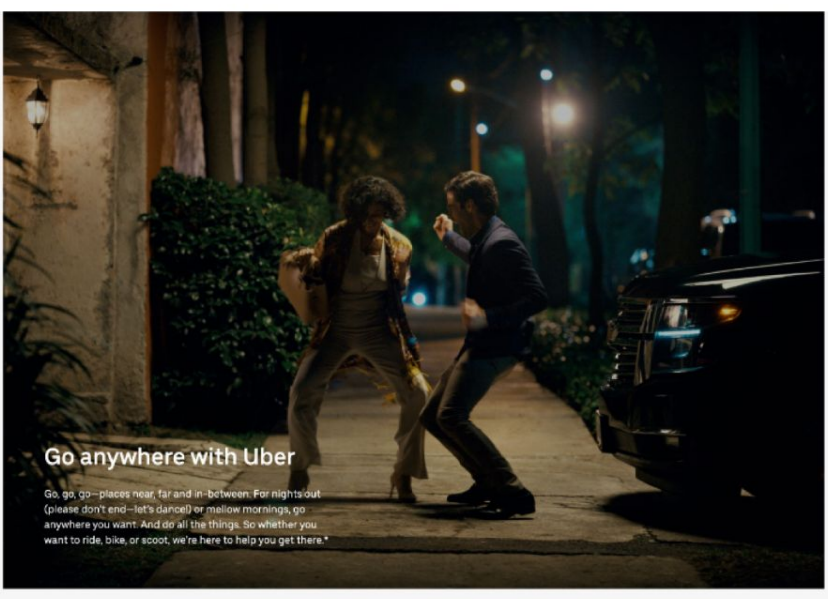
Do not attempt. Professional stunts. See app for Rides and Uber Eats availability.

Let Uber help you





Go anywhere with Uber

Go, go, go—places near, far and in-between. For nights out (please don't end—let's dance!) or mellow mornings, go anywhere you want. And do all the things. So whether you want to ride, bike, or scoot, we're here to help you get there.*

Ride on demand

Hop in, relax, and get to where you need to go, budget-consciously and fuss-free. The Uber app makes it a snap. Tap a button and you're on the way for work or for play.

Go with UberX

Go green

Go Uber Green in select cities on your next trip and help support a green future for all of us. Make your city more sustainable with a low-emission ride in a hybrid or electric vehicle.

Ride with Uber Green

Rent a car

No car? No prob! Get out of town, pop over to see friends, or instigate an urban adventure after finding the perfect rental car through one of our rental partners in the Uber app. Valet service is available too.

Get anything with Uber

Hungry? Thirsty? Desperately in need of something essential, or just plain indulgent? Don't worry, we got you. And not just the meal things, the grocery things, those convenience store things, and more. So whatever the thing, just tap the app to get it delivered.*

Get a meal delivered

Dine divine with plentiful choice. Be dazzled by a wide array of global cuisines. From local places you love to fave big-name chains, Uber Eats has what you're craving. Open the app and order up.

Order with Uber Eats

Get groceries delivered

Satisfy your hunger, stock up the fridge, or simply save yourself a trip to the store by getting groceries delivered to your door. It's quick, easy, and available through the Uber Eats app.

Order groceries today

Send a package

Need to send something across town and have it arrive the same day? Uber Connect makes it a snap to send packages, gifts, items you sell online, and more, with no postage required. Select **Connect** in the Uber app.

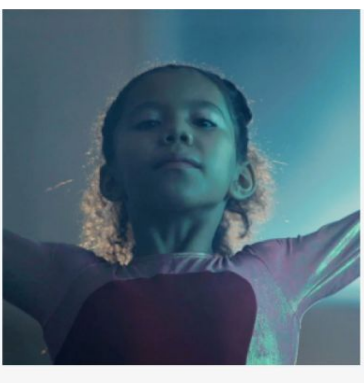
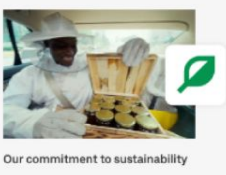
Uber's commitment to your community

We're about much more than rides, meals, and deliveries. We're committed. We're impassioned. And we're making a stand for what we believe in—all the while helping fuel your ambition and go-get-it spirit.

Read about our community guidelines





Our commitment to sustainability

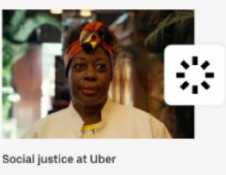
Millions of rides a day, net-zero emissions by 2030—our commitment to every single person on the planet. The path there: electric. Uber has a plan to get there, and we need you to come along for the ride.

Learn more

Safety at Uber

Whether you're taking a ride or having a meal delivered, your peace of mind is top of mind at Uber—that's why we have a Door-to-Door Safety Standard and lots more.

Learn more



Social justice at Uber

Everyone's well-being and unhindered right to move are important to us. That's why we've committed to being an anti-racist company and contributing to a better world for all.
